PE BUDDY FOUNDER

Welcome to PE Buddy!

My name is Jamie De Smit, founder and CEO.

What is PE Buddy?

We are an organisation that exists to make life easier for PE Teachers, students and athletes - everywhere! Born out of COVID online learning, PE Buddy started with a few videos on YouTube and has grown to impact 1,000,000+ people around the world with online courses, HPE teaching resources, online PE communities, articles, AI innovation and more!

Who am I?

I'm a passionate, enthusiastic and dedicated PE Teacher who loves nothing more than seeing students succeed and develop a life-long love for sport, health and fitness. I love business and entrepreneurship, and believe that there is always a way to do things better.

What's the goal?

My goal is to make PE Buddy the world's #1 go-to place for PE Teachers! Physical Education needed to catch up to the 21st century, and PE Buddy aims to be the catalyst to do this and support PE Teachers in teaching better PE with less work. I invite you to be a part of this journey. Let's grow together and make some serious impact in this world.

- Jamie De Smit (Ps, I'd love to connect on LinkedIn! **Let's connect**)
